

OUR CORPORATE SOCIAL RESPONSIBILITY (CSR) PROGRAMME

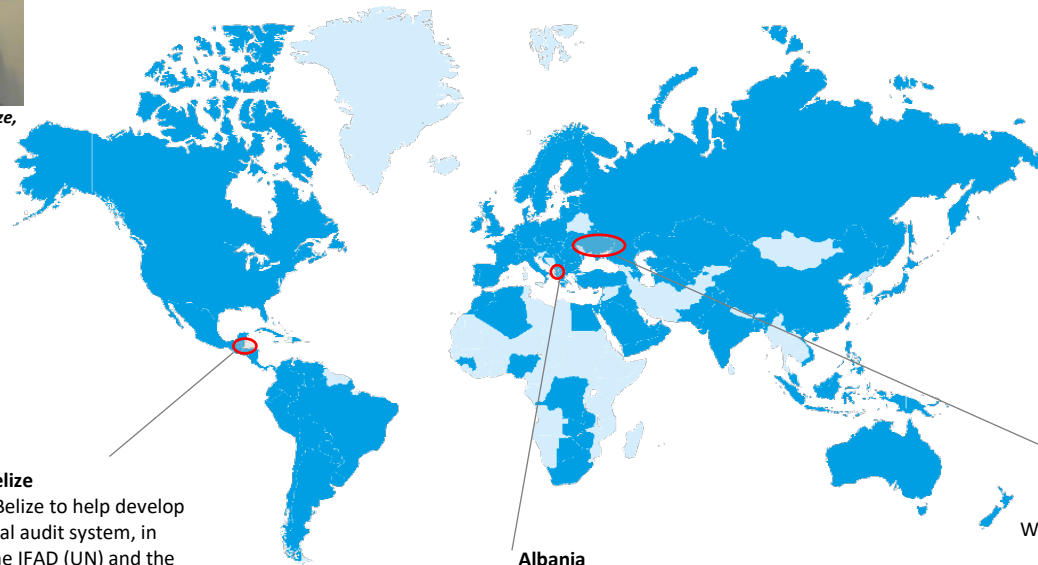

As part of its corporate social responsibility programme, Moore formed a strategic partnership with the Irish league of Credit Unions Foundation. This Irish League of Credit Unions Foundation is the charitable arm of the Irish Credit Union movement whose mission is “to alleviate poverty in developing countries by supporting credit unions, their representative bodies and other co-operative type organisations as a means for socio-economic development through the provision of financial and technical assistance”. The partnership was formed in 2015 and Moore agreed to provide funding and resources to assist the Irish League of Credit Unions Foundation in delivering its objective of alleviating poverty in developing countries by supporting credit unions through the provision of financial and technical assistance. Since 2015, we have engaged in projects with credit union movements in Belize, Ukraine, Moldova and Albania.
