VAT Rates and thresholds in the European Union

Correct as at 1 May 2016

#### Notes

- 1 Exception to registration possible for certain occasional transactions
- 2 The 30% reduction in all rates applicable in the Greek islands is being progressively withdrawn
- 3 From 1 January 2016
- 4 Not-for-profit entities have a threshold of EUR 10 000
- 5 In Madeira, the rates are 22%, 12% and 5%, respectively; in the Azores, the rates are 18%, 9% and 4% respectively.
- 6 As from 1 July 2016

NB: examples of the zero rate are supplies at a special reduced rate of zero and particular to the country concerned. Supplies that are exempt with the right to deduct under the VAT Directive and thus common to all countries are not shown. The column containing supplies taxed at the reduced rates is for illustration only and not intended to be comprehensive.
