Intelligent accounting for maximum business impact

INTELLIGENT ACCOUNTING FOR MAXIMUM BUSINESS IMPACT

Do you want to spend more time on your core business activities and less time on back office accounting? You need Stream – the Moore cloud-based outsourcing solution

Stream is a complete online finance and accounting solution from Moore that allows you to access and assess your company's ongoing performance and financial position online ANYTIME, ANYWHERE.

ON-HAND ADVISERS

This dynamic and efficient cloud-based technology complements the professional accounting and advisory services of your Moore Outsourcing Team. We take care of your accounting and reporting and, through Stream, you can access, interrogate and interact with key business information whenever and wherever you want.

Our dedicated outsourcing team will work closely with you to develop a solution/process that meets your business needs.

In addition to the direct access features of Stream, you will continue to be provided with expert advice and support to guide you through each stage of your business's development.

ONLINE AND MOBILE APPS

Online apps, which are available with all of our solutions, allow you to easily and efficiently submit, view and approve invoices and expenses for intelligent and seamless entry into the accounting system. All are accessible via the App Store or Google Play.

Key features:

- A seamless, cloud-based end-to-end bookkeeping process.

- Send invoices and expenses electronically.
- Approve your invoices and expenses easily online.

Key Benefits:

- Gives you control – easy access to key data and reports anywhere at any time.
- Provides confidence that your accounts are in safe hands.
- Cost effective – all your financial data in one place.
- The efficiency of a one-stop-shop for all your bookkeeping and accounting needs.

BENEFITS TO YOU

A tailored solution

We work with the latest products and apps in the market to meet all your document workflow, finance, accounting and business intelligence needs. We take account of your current situation and future growth plans, creating a package to support you as your business evolves.

Business intelligence

Our intuitive dashboard and smart, real-time reports help you make informed decisions based on current key performance indicators. Look at the big picture or drill down into the detail to gain deeper understanding of your business performance.

Mobile functionality

Stream enables you and your team, wherever you are, to easily submit invoices, bank transactions and expenses for approval and recording within your accounting records. You can also enter and approve timesheets remotely, prepare purchase requests for approval and view latest KPI dashboards and financial reports.

Efficient and cost-effective working

The seamless online interaction and workflow supported by Stream cuts down paper and use of spreadsheets, increasing your efficiency and reducing costs.

Maximum outsourcing benefits

Stream enables you to maximise the benefits available from outsourcing your accounting function, providing high quality professional input and advice, combined with highly efficient systems and processes.

Multilingual and multicurrency

Stream provides multicurrency accounting and reporting as well as a selection of languages, thus supporting your international business requirements.

User support

Stream is simple and quick to design and install. Once you're up and running, our outsourcing team aim to respond swiftly to any requests.

PEACE OF MIND

Through the combination of our professional outsourced accounting service and our cloud-based easy-access solutions, you can rest assured that your finance and accounting information is accurate, up to date, and available whenever and wherever you need it.

Moore Stream also enables you to outsource other activities beyond your accounting, such as payroll and company secretarial services. You can release even more time and energy to focus on the actions that deliver real value to your business.

Please get in touch to see how we can support you. We would be delighted to arrange an initial meeting.

“As well as the ready-to-use portal, you will also have your dedicated expert team on-hand to answer your questions...”
